Dear Parents,

We wanted to make you aware of a situation that occurred today at Chelsea High School. At 8:15 this morning we experienced some issues with a cooling unit on the roof. As a result we moved students outside the building to ensure their well-being while we gathered information. We were assisted by local officials – including the Chelsea Fire Department and Shelby County Schools. At 9 a.m. we verified that conditions were safe for students, staff, and faculty, and we resumed our regular class schedule.

It's a Great Day to Be a Hornet!

Cordially,

Wayne Trucks
Principal
