In order to comply with the State of Alabama accountability law, the financial exhibits and school safety and discipline reports have been prepared by Shelby County Board of Education and are available on the system's website. You may access this information through the Board's official website at www.shelbyed.org.

To access the *Financial Exhibits* from the home page of the Board's website using the menu links, navigate to "District Information" – scroll to the Finance section and select "Financial Reports, Documents, and Forms" – scroll to the Finance Reports section and select the PDF file for the "Financial Accountability Reports – FY2016". The PDF file is reflected by funding source, cost centers, and programs for your review.

To access the *School Safety and Discipline reports* from the home page of the Board's website using the menu links, navigate to "District Information" – scroll to the Student Services section and select the link under "Other Resources" titled "SIR Reports". There are PDF files for each school in our system.

Also for your review, you will find the *Student Achievement reports* available at the State Department of Education's website at www.alsde.edu and navigate to the "Data Center" section, and select Assessment Reports.
