# The Catherine-Hicks Washington Student- Athletic Scholarship

From a very young age athletics has always played a huge role in our family's life. We come from a family of not only elite athletes, but also elite student-athletes. We realize that in order to be an elite athlete one must also try to be an elite student. In our opinions an elite student-athlete is an individual who not only gives their all on the court, but is also an individual who gives their all in the classroom. One must be a leader on and off the court. With that being said the "Eula Russell Washington Athletic Scholarship" requirements for eligibility are the following:

- Student must be a senior in high school.
- Student must be an active Chelsea High School student-athlete.
- Student must have a 2.5 or above GPA
- Student must be in good academic standing with the school.
- Student must be in good moral standing with the school ( As seen in Code of Conduct)
- Student must submit three recommendation letters: one from a coach, one from a teacher, and one from any faculty or staff member of Chelsea High School
- Student must plan to attend college or technical school the semester following his or her high school graduation.
- Student must submit a 500 word (minimum) essay answering one of the following questions:
  - How do you handle adversity throughout life?
  - How has playing sports changed your life, and what lessons has playing sports taught you?
- Please place your full name, telephone number, as well as a valid address on your essay that you will be sending in.
