more info about

HLA 2019

With **EXPLORE** as our 2019 theme, the Huntingdon Leadership Academy (HLA) seeks to engage high school-aged youth through a summer theology program and a year-round online network to discover new and faithful ways to discern a call to ministry or Christian leadership through rich scriptural interpretation as we learn to share our story.

Churches nominate youth entering their 10th, 11th, or 12th grade year of high school to participate in the year-long HLA program.

Students will participate in a week of summer residency at Huntingdon College in Montgomery, Alabama, and take part in online gatherings over the course of the year with members of the cohort and Huntingdon College faculty and staff.

Together, churches and families contribute \$100 of the cost per participant (\$50 from the church and \$50 from the student's family). The remaining cost is covered through the generosity of the Lilly Endowment, which provides our program with its robust theological and ministerial resources, fostering the best atmosphere for students to discern their calling!
