Career Technical Educational Center

 Be sure to join the Girls Can Camp Facebook group!

**Who:** 8th through 10th grade girls

**What:** Construction camp featuring projects in carpentry, welding, pipefitting and electrical fields

**When:** June 10th—14th, 2019

**Where:** Career Technical Educational Center  
701 Hwy 70, Columbiana, Alabama

**Why:** Learn about countless careers in construction and work side-by-side with professional women in completing your own projects

**How:** Applying for the camp is easy! All you have to do is pick up an application from your school counselor, complete the form, and turn it back in as soon as possible! Deadline is April 19th

## Girls Can Camp Benefits

Do you like learning new things? Doing hands-on projects? If so, this camp is for you! Throughout this five-day camp you will learn and practice new skills like carpentry, welding, pipefitting, and electrical. You will even get to tour one of Alabama Power's operating plants.

At the end of the week, all campers will receive a certificate of completion, t-shirts, and graduation gifts and will be able to take home their projects!

We hope that all campers walk away with the excitement of knowing that there is room in the construction industry for their dreams too!

APPLICATION DEADLINE:

APRIL 19TH

WE ONLY HAVE SPACE FOR 15 GIRLS!
